

Press Release

theFranaGroup Appointed Broker for Michigan Community Dental Clinics

Rockford, Ill. (March 31, 2011) – Michigan Community Dental Clinics (MCDC) and **theFranaGroup** announce their partnership to promote the MCDC dental service model with Federally Qualified Health Centers. John Frana, President, and Linda Potts, Vice President, will coordinate this effort to expand MCDC dental services in coordination with Michigan Federally Qualified Health Centers.

MCDC is a private not-for-profit dental services corporation headquartered in Boyne City, Michigan. MCDC was founded in 2006 and is serving low income persons at 19 clinical locations in Michigan in partnership with local health departments. In 2010, over 53,000 persons received dental services through 132,500 dental visits provided by 51 dentists, 29 hygienists and 124 support staff.

theFranaGroup is a national health care consulting firm headquartered in Rockford, Illinois, specializing in Federally Qualified Health Centers. Nineteen Federally Qualified Health Centers have been successfully funded through **theFranaGroup** since its inception. Clients include health systems, public health departments, hospitals, private practices, free clinics and federally qualified health centers.

To learn more about **theFranaGroup**, contact John Frana, President at 815 262-0977 or log on to www.thefranagroup.com.
